

Meeting Room #106

Meeting Room #106 (750 sq.ft) is located in the southwest corner of the GCC. It can hold up to 30 people sitting and is a great place for birthday parties and small meetings. It was remodeled in November 2009 with new carpet, paint, and trim. An Eagle Scout later put in all new drywall and ceiling tiles. In 2012, new lights were added along with a new window and blinds.
